Sat 31th Oct
6-9pm

*An **introduction** to throwing
pots – an evening of fun!*

All proceeds go to:

 **Sheffield
ageUK**

Ticket also **includes** a
drink on entry and
buffet food throughout.

Our bar will be open too.

The Northern Potters Association
and Northern Potters Association
South East will be leading the event
and running a ceramics stall.

THINGS COULD GET MESSY...

Watch the experts from Northern Potters Association demonstrate how to throw a variety of pots, then jump in and have a go! You will **work in small groups** on our 8 wheels. No experience is required; in fact it's a positive bonus. The event is designed to give you a fun **introduction to throwing pots**. Awards for the best, funniest and most bizarre pots thrown. The **end products will not be fired** so there is no pressure....and the **clay will be recycled for future use**. It's all about having a go, getting messy but hopefully improving throughout the evening. A relaxed and fun night!
